

# ADVANCE NOTICE

FSITE Summer Meeting - June 24-26, 2009

**Hilton Oceanfront, Cocoa Beach**

This year's summer meeting has the theme "**Transportation Opportunities in a Changing Economy**" and will consider how transportation professionals can continue to plan, operate and maintain our transportation system in times of budgetary constraint. Specific topics include a timely discussion of the present and future outlook of transportation in Florida during the current economic down turn, opportunities for creative project financing, making best-use of available resources, cost-effective transportation improvements in a scaled-back budget and surviving the recession. FSITE will be providing two workshops: Ethics in Planning and 2010 HCM Overview. The professional development hours earned by attending these workshops and technical sessions can be used to fulfill continuing education requirements for renewal of the PE license and AICP certification.

## **PRELIMINARY PROGRAM FEATURES:**

- Wednesday Afternoon Workshops – "Ethics in Planning" and "2010 HCM Overview"
- Project Financing
- Public Private Partnerships (PPP)
- Multi-Modal Transportation Districts
- Managed Lanes/Toll Revenue
- Traffic Maintenance Programs
- Roadway Safety Audits
- Growth Management
- Chapter Roundtable Discussion on "Mega Issues"
- FLUTEC and FLPLAN
- Friday Noon Closing Session – "Surviving the Recession"

## **SPONSORSHIP:**

FSITE invites your firm's participation as a sponsor at this summer's meeting. A **\$200 Corporate Sponsorship** includes your firm's logo on the program, recognition on our display board, and announcements at the opening session, closing session, and at the reception located beachside on Thursday evening.
